

A forum on literary innovations and an exhibition on school fine arts in Kairouan

The “commissariat régional de l'éducation” of Kairouan organizes a forum on creative writing and an exhibition on school plastic arts on Sunday April 04, 2010 from 9 AM in the multidisciplinary space in the Preparatory School 07 November 1987 in Kairouan city.

The events will be under the guidance of teachers and with the participation of many students of preparatory and secondary schools of the region.

Prizes will be awarded to the creators of the best projects.
