College Errashidiya in El Mourouj hosted American cosmonaut

Tuesday 25 May 2010, within the cooperation between the Regional department of Education of Ben Arous and Tunis Science City, the **College Errashidiya in El Mourouj** witnessed an exclusive visit of U.S. astronaut **Robert Behenken**. It was an opportunity for students to interact face to face with the guest and know all about his experience in the conquest of space. Mr. Behenken also declared he was happy to visit Tunisia and was fascinated with the intellectual level of students and their passionate interest in astronomy and astrophysics.
