

Prospects for co-operation between Education Ministry and ALECSO looked at

Prospects for co-operation between the Education Ministry and the Arab League Educational, Scientific and Cultural Organisation (ALECSO) were the focus of the talk that Education Minister Taieb Baccouche had with ALECSO Director General Mohamed el Aziz Ben Achour.

The meeting reviewed educational, cultural and scientific projects of ALECSO, particularly the education development plan in the Arab world and the project to promote Arab language and build the knowledge society.

The director general of ALECSO briefed the Education Minister on the activities and programmes implemented by the organisation in the recent weeks and the forthcoming cultural and educational events.
